

CURRICULUM VITAE

MARK JEFFREY HENRIKSEN

Education

Ph.D.	University of Maryland, Astrophysics Dissertation Advisor: Dr. Richard F. Mushotzky, LHEA/NASA/GSFC/UMD
M.M.	Catholic University of America, Washington, D.C., Music Performance
B.S.	University of California, Los Angeles, Physics Honors College

Experience in Higher Education

1999-present	Associate Professor, Physics Department, University of Maryland, Baltimore County
1999-2005	Founding Director, Joint Center for Astrophysics, University of Maryland, Baltimore County
1999-2005	Astrophysicist, Laboratory for High Energy Astrophysics, NASA/Goddard Space Flight Center
1999	Associate Professor Department of Physics University of North Dakota
1995-1999	Assistant Professor, Department of Physics, University of North Dakota
1994-1995	Research Associate, Department of Physics and Astronomy, University of Alabama
1994	Visiting Assistant Professor, University of California, Los Angeles, Department of Astronomy
1992-1993	Post-doc, Department of Physics and Astronomy, University of Alabama

Experience in Other than Higher Education

1989-1991	Post-doctoral Research Associate, Applied Research Corporation, MD, Hubble Space Telescope Faint Object Spectrograph Team, research in UV observations of AGN, post-launch calibrations of HST FOS
1986-1988	Post-doctoral Research Associate, Space Telescope Science Institute, MD, research in large scale structure, support pre-launch preparations for Hubble Space Telescope
1978-1980	Research Assistant, Harvard-Smithsonian Center for Astrophysics, Worked on Einstein Observatory, the first X-ray imaging telescope in space, research in X-ray astronomy

Honors Received

- 1996,1999 Early Career Award, National Science Foundation
- NASA Group Achievement Award, Hubble Space Telescope Faint Object Spectrograph Instrument Development Team
- Certificate of Recognition, GSFC, Hubble Space Telescope
- NASA Graduate Student Research Fellowship
- UCLA, Member - Honors College, Dean's List multiple times
